Dear Nehme,

Thank you very much for your generous donation of 109 USD.

Greenpeace relies on the generosity of individuals like yourself. We don't accept donations from governments or corporations to maintain total independence and impartiality in the way we approach our campaigns. So when we say "**We couldn't do it without you!**" that's exactly what we mean.

It is donors like you that inspire us to continue progressing forward to **protect the environment and bring about more peace in this deeply troubled world.**

Greenpeace exists because this fragile earth **deserves a voice.** It needs solutions. It needs change. It needs you. Thank you so much for taking action.

Once again we would like to thank you for your support. Please feel free to reach us anytime at [frgpmena@greenpeace.org](mailto:frgpmena@greenpeace.org) if you have any clarifications or questions.
