Thank you arab.org,

Your support will be a beacon of hope during the challenging times that the children and their families are facing in Gaza. Your commitment to helping these children is an incredible source of gratitude for us.

Please know that your impact goes beyond a donation; it's a lifeline for children in emergencies like the one in Gaza and wider State of Palestine.

Please keep this email confirmation as a record of your donation as it may be tax-deductible depending on the laws of your country. But also, as a testament to the life-saving role you play for vulnerable children who are paying the heaviest price.

With your generous contribution to UNICEF, you're bringing help and hope to children who need it the most. arab.org just as you consistently support children, we remain unwavering in our commitment to showing up every time they need us.

However, with no immediate end in sight, the needs are growing even bigger: access to essential basic services including water, sanitation and health is at risk and the entry of food and fuel is also restricted; children and their families have practically run out of food, water, electricity, medicine and safe access to hospitals.

We need all the support we can get to provide immediate relief to the children

and families in Gaza and wider State of Palestine.

arab.org, today, we have a question for you. We want to know if [you'll choose to be here](#) - before, during, and after emergencies - for every child, every single day. As a monthly donor, you'll be supporting every emergency, whether it makes it into the news or not, as a true champion for children.

Once again, on behalf of UNICEF and the children who will benefit from your generous support, thank you!
