

On behalf 5.3 million Palestine refugees, thank you very much for your generous donation.

It comes at a critical moment when their life-saving assistance, human security and dignity is threatened by an unprecedented funding reduction by a major donor.

Palestine refugees are the victims of the world's most protracted conflict. No one deserves to be a refugee for 70 years.

Your donation will ensure that we continue providing emergency food assistance to nearly two million, access to healthcare to three million and education to half a million girls and boys.

Please consider sustaining your solidarity with Palestine refugees by becoming a monthly donor. [Click here](#) to become a sustaining donor.
