Tutorial: Adding your Organization

Arab NGO Directory

Tutorial: Add your NGO

Thank you for your interest in submitting your organization to the Arab NGO Directory, the heart of civil society in the Arab World.

The following instruction will guide you how to add your organization to the Directory.

You could technically do all of the below on a mobile phone, but it is better to do so on tablet or preferably on a Mac or PC.

If you are a <u>registered</u> Civil Society Organization in operating in an Arab country, then you have come to the right place.

Once registered, you will be able to access various tools including Events, Calls, Resources, NGO Jobs and resources.

Once you are ready, please ensure you complete the forms entirely for registration, as incomplete and incorrect submittals will be discarded.

This listing is for officially recognized and registered organizations only.

Organizations involved in spreading hate and/or instigating violence against anyone and/or organizations supporting the usage of weapons will not be approved and will have their entries deleted.
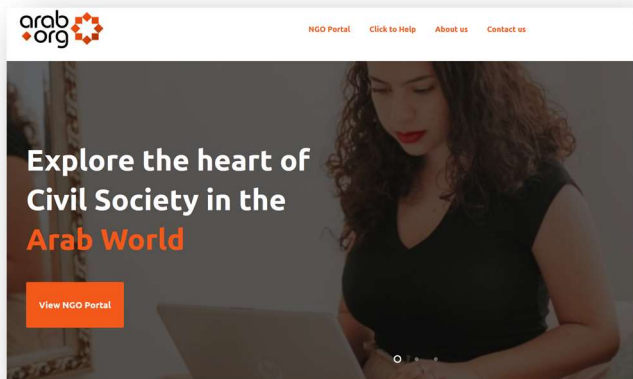

arab.org and The Olive Tree SAL does not sponsor or endorse in any way the organizations listed within the directory, nor their affiliates or sister agencies.

Listing on arab.org is a privilege and not a right and therefore it is left to the sole discretion of arab.org for approving or not approving listings.
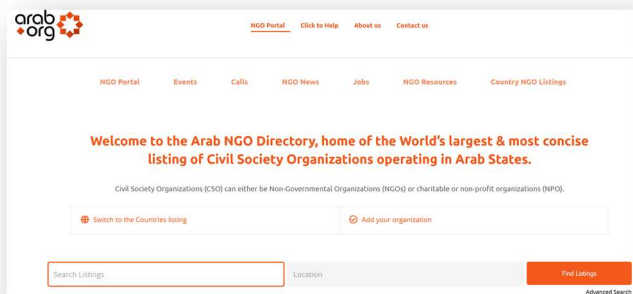

Thank you for being part of the arab.org community!

1. Visit arab.org

Go to https://arab.org/ and select **NGO Portal**

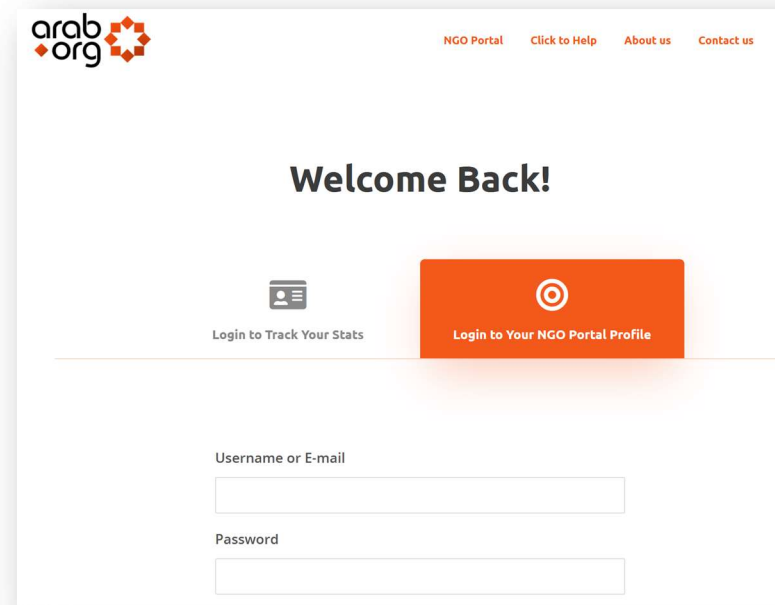

Open **NGO Directory** (under NGO Portal)

Then choose select **Add your organization** or click the following link directly: https://arab.org/directory/submit-your-organization/
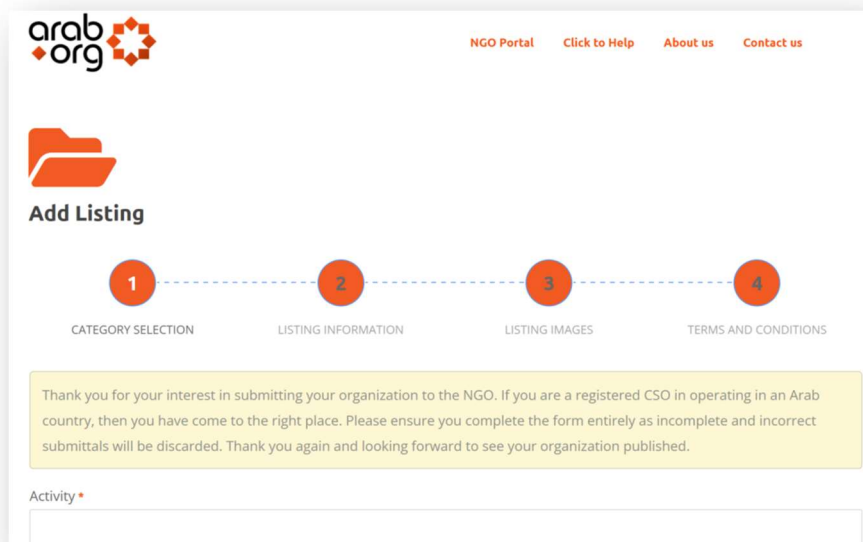

2. Login (or Register)

⚠️

To submit an organization, you must be a registered user. If you do not have an account (nor have a username and a password), then please register @ https://arab.org/register/

3. Adding your organization

Arab NGO Directory is divided into 11 categories and 44 sub-categories.

Select a category and then a sub-category (you can later add more categories & sub-categories)

Follow the step-by-step instructions starting with category selection, listing confirmation, listing image and accepting the terms & conditions.

Note: Once reviewed & approved, our systems will automatically add your successful submission to country-specific listings for each Arab state and also categorizes in the specialized sections such as organizations involved animal rights, education, environment and women's rights.

⚠️

Only after a review it will be approved otherwise modifications need to be made.
arab.org retains the right to accept or reject any submission at its sole discretion.

Submit your entry only once. Repeat identical submissions will be banned automatically by our systems.
This listing is for officially recognized and registered organizations only.

Organizations involved in spreading hate and/or instigating violence against anyone and/or organizations supporting the usage of weapons will not be approved.
The listing is a compilation of publicly available information. arab.org and The Olive Tree SAL do not sponsor or endorse in any way the organizations listed within the directory, nor their affiliates or sister agencies.
Listing on arab.org is a privilege and not a right and therefore it is left to the discretion of arab.org for approving or not approving listings.

Remember, your addition does not mean or reflect endorsement of any kind.

Is your organization already listed? Claim it as your own!

If you're organization is already listed then you can claim it without having to re-enter a new entry & take full control by simply clicking on
‣ Claim This Listing above your existing entry. Ensure you use a relevant email address as ones @gmail.com or @hotmail.com will not be recognized.

What if you want to delete your organization?

If you've created or already claimed your entry successfully, then a delete button will appear on its page allowing you to remove it from our systems.
